

Care and Maintenance

Gloss and matt colours are supplied with a protective film, once removed allow the surface to cure for 7 days before attempting to clean or wipe the surface

Vinyl wrapped products should be cleaned using a soft cloth with a mild, non abrasive dishwashing detergent diluted in warm water. The mix should be 1% detergent and 99% water

Bella doors and products should not be exposed to excessive moisture

Dry with a soft dry cloth

Vinegar based detergents, solvents, abrasive detergents, white spirit, Brillo pads or furniture polish should never be used for cleaning vinyl wrapped products

As with all timber based products Bella doors and accessories should not be stored in newly plastered or damp environments. Care should be given around heat emitting sources.

Cleaning kits are available that are specifically designed for cleaning gloss and matt doors
