

Cornice & Pelmet Options

BA offer a choice of different profile solutions for use at top and bottom of wall cabinets.

This includes an "easy-fit" option - which avoids the need for cutting mitre joints during installation.

Cornice Option 1

Classic Cornice with Mitre Joint

Cornice Option 2

Bullnose Cornice with Mitre Joint

Cornice Option 3

Multi-Purpose Cornice with Mitre Joint

Cornice Option 4

Multi-Purpose Cornice with Butt Joint

Pelmet Option 1

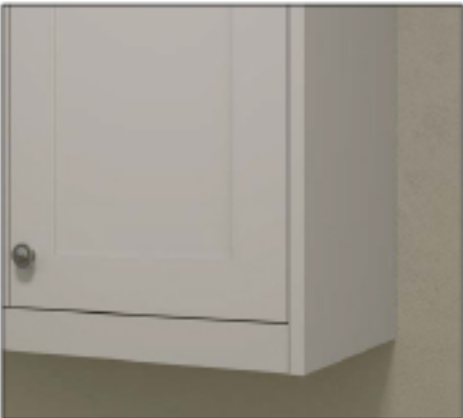

Bullnose Pelmet with Butt Joint

Pelmet Option 2

Multi-Purpose Pelmet with Butt Joint Fitted Horizontally - 36mm high

Pelmet Option 3

Multi-Purpose Pelmet with Butt Joint Fitted Vertically - 56mm high
