

Wardrobe Door Size Record

Name: _____ Date: _____

Room / project: _____

H = finished door height • W = finished door width

Record all sizes in millimetres (mm). For replacements, measure the existing door from the back. For new cabinets, confirm fitting gaps before entering finished door sizes.

Hinge holes / hanging: VIEW FROM THE FRONT.
Left-hand = hinge holes on the left edge; right-hand = hinge holes on the right edge. Give each door a unique reference.

STANDARD RECTANGULAR DOORS

Door ref.	Height H (mm)	Width W (mm)	Qty	Hinge side Front view		Hinge drilling Hole positions (mm)			
				Left	Right	1	2	3	4

Door style / colour / finish:

Notes / special requirements:

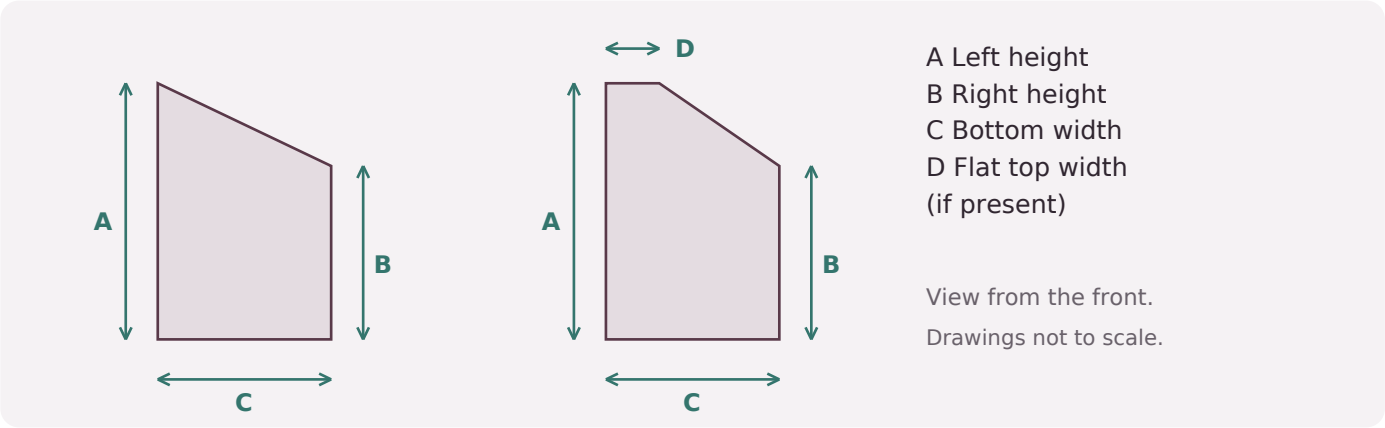

Check before ordering: these must be finished door sizes, not cabinet or opening sizes. Tick Left or Right. For hole positions 1-4, write the distance and whether measured from the top (T) or bottom (B), e.g. 100 T, to each hole centre. Recheck all sizes.
